I started eating you out very gently

Moving my tongue in different motions and using my fingers to put pressure on your clit

now

iMessage

Rub your clit soft and gently

If you have to get lube or use your spit
and get yourself wet down there

Rub harder and harder in circular motion

With your other finger only insert your
pinky

Finger yourself until you want more

Go to your index finger and finger and
finger, feel yourself inside

Imagine how great it feels for me to
inside you

Man I'm gonna have some fun with
you

I think so too 😊

Do you like eye contact when I'm
sucking you off?

Yes please I wanna see those
gorgeous eyes of yours

Can you orgasm from it?

A blowjob? Not my eyes 😊

Yes to both

What's your recovery time like?

It really depends on recent
masturbation tendencies but idk
5-10 min probably?

Maybe a little longer

Damn

Nice recovery

I am constantly horny

I feel like something's missing in my life...

Namely you.

Between my legs.

Delivered

Yeah you got me all riled up

Did I?

Yeah I want to see you bent over in high heels

I'm assuming it's a nice view 😊

Ugh such a tease 😞

I'm thinking about you bending me over like that though. Is that really being a tease?

Oh yeah? What am I doing?

In your little fantasy

You're pulling my hair back so that my back arches just a bit so you can hit closer to my gspot when you're inside of me

Mmm I love that feeling when I thrust deep inside and my thighs press up against the back of yours.

Just remember you don't get to cum until I say you can

iMessage

baby just get here so i can
fuck you how you like it

Size doesn't matter when you're horizontal anyway

Or when you're bent over my bed

Now you're talking 😊

Might not even have time to take your skirt off

You can move the panties to the side

If I'm wearing any 🙄

That's my girl 😊

Have you ever been with someone 6' 5"? Or similar height?

No, never haha.

You're very tall lol

Haha just wait until I have you bent over and I reach around to rub your clit

5' 11" dudes could never

iMessage

I want you to promise me one thing

Ok

Tonight you will not move from there
until I make you come with my mouth

I promise

mouth on my knees

That's what I want

Oh baby

Good girl

I don't mind if you set the pace with your hand on my head, either. 😊

I just want it to feel good

I'm just gonna lightly wrap my hand around your hair to keep it out of your face and keep a little control over that pretty little mouth 😘

Go slow though 😊

I can do that 😊

Really take your time and enjoy it

I will figure out what makes you tick, don't worry.

Because I'm gonna tease the hell out of you before I let you cum all over my face

iMessage

I want your cock so bad my pussy is
aching

Oh god I want to fuck you so deeply

Tell me how baby

I want to make your pussy raw and cum
in your face. You're such a dirty bitch
and you're all mine

My cock gets so hard when i think about
fucking you, kissing your neck and
pulling your nipples hard.

I want to be thrown on my tummy with
my hands behind my back, have you pull
my hair while forcing me down, fucking
me until I cum on your cock

I'm going to hold your hands down and
peel your pussy lips apart so I can lick
your clit and stick my tongue inside you.
Then when you are dripping wet I'm
going to push my hard dick into your
tight pussy as deep as I can.

I'm going to tease you by fucking you
with just the tip so you are begging me
to go deeper and when you think you
cant take it anymore ill grab your hair
and pound you from behind and spank
your ass because your such a dirty girl.

Then when you've cum all over my cock
I'm going to turn you over and force my
cock all the way down your throat and
fuck your face. And just before I cum I'm
going to pull out and cum all over your
face.

If I'm around you, we won't have a problem making sure I'm "well lubricated"

Shh shh just say "Thank you, daddy"

Then come over and fuck me right now "daddy"

Call your boss and tell them you won't be in tomorrow. You're going to need a personal day to sleep and recover after what I do to you all night long.

Who needs sleep when there are so many other fun things to do?

Go get your vibrator 😈

No, I want to play with you first

Oh yeah? What did you want to play with?

What does your neck taste like?

Hmm I'm not sure, I guess you'll have to tell me

iMessage

I really want to eat you out
until you forget why you had
any worries in the first place

Hey. I brought pizza home
tonight.

iMessage

I'm about to get a shower.

That sounds sexy

I'm going to rub my pussy thinking
about you

Tease

I want to lay you down on the bed and take your panties off with my teeth inch by inch sliding down your legs. After that I want to gently circle your clit and I won't stop until you tell me to

Could you do one really important thing for me though love?

?

Could you please French kiss my sweet little pussy love?

I want to feel your warm mouth on me. Your wet tongue gliding slowly around my clit.....

And cuddle me after all this rough lovings.

I can indeed my little fucktoy

Mmmm.... I feel all flush and tingly

That's how your going to feel when I spread your pussy with my tongue and make you come with my mouth

We're in the shower and you're soaking wet...everywhere. We get so worked up, rubbing my hard hard cock against your clit, that we do it on the couch soaking wet

Are you at work

When you have a free moment, slip away and show me your pretty little tits

Yes sir

I want your hands to be all over my body, slowly moving over my nipples and feeling them get harder under your finger tips. I can feel you tracing every curve of my body, eventually going down between my legs, feeling how wet I am, teasing my clit until I can't take it anymore and I beg you to eat me out

Oh dear god I just cam so
wonderfully. Thank you.

i want to slowly spread your legs wide and kiss down the inside of your thighs

i love how wet you get

Well you know how to turn me on

that makes me want to even more

then i want to kiss all the way down the inside of your thighs

all the way down

I can feel your kisses

and slowly spread you open

and gently lick up and down

outside first

then work my way in

My back is arched just thinking about that

so hot

then lick up and down

right in the middle

and slowly close in on your sexy clit

and id curl my middle finger up, gently pressing on your g spot

and rub up and down

up past it, down over it, then stop right before i pull out

over and over

as im licking your clit

Omg I so wish you were here

so do i

and then i would slowly speed it up

pressing harder and harder on your g-spot

as i keep licking

I want you to fuck my mouth
thrusting your hard cock down my
throat and making my pussy sloppy
wet while you fuck me with my wand
and the fun extension.

I would love to fuck you with your
toys

I want you to fill my pussy with your
thick cock so bad love. And I'd love to
do this all with my pretty purple
princess plug in.

I'll be there in 10

I brought you French fries, can
you let me in?

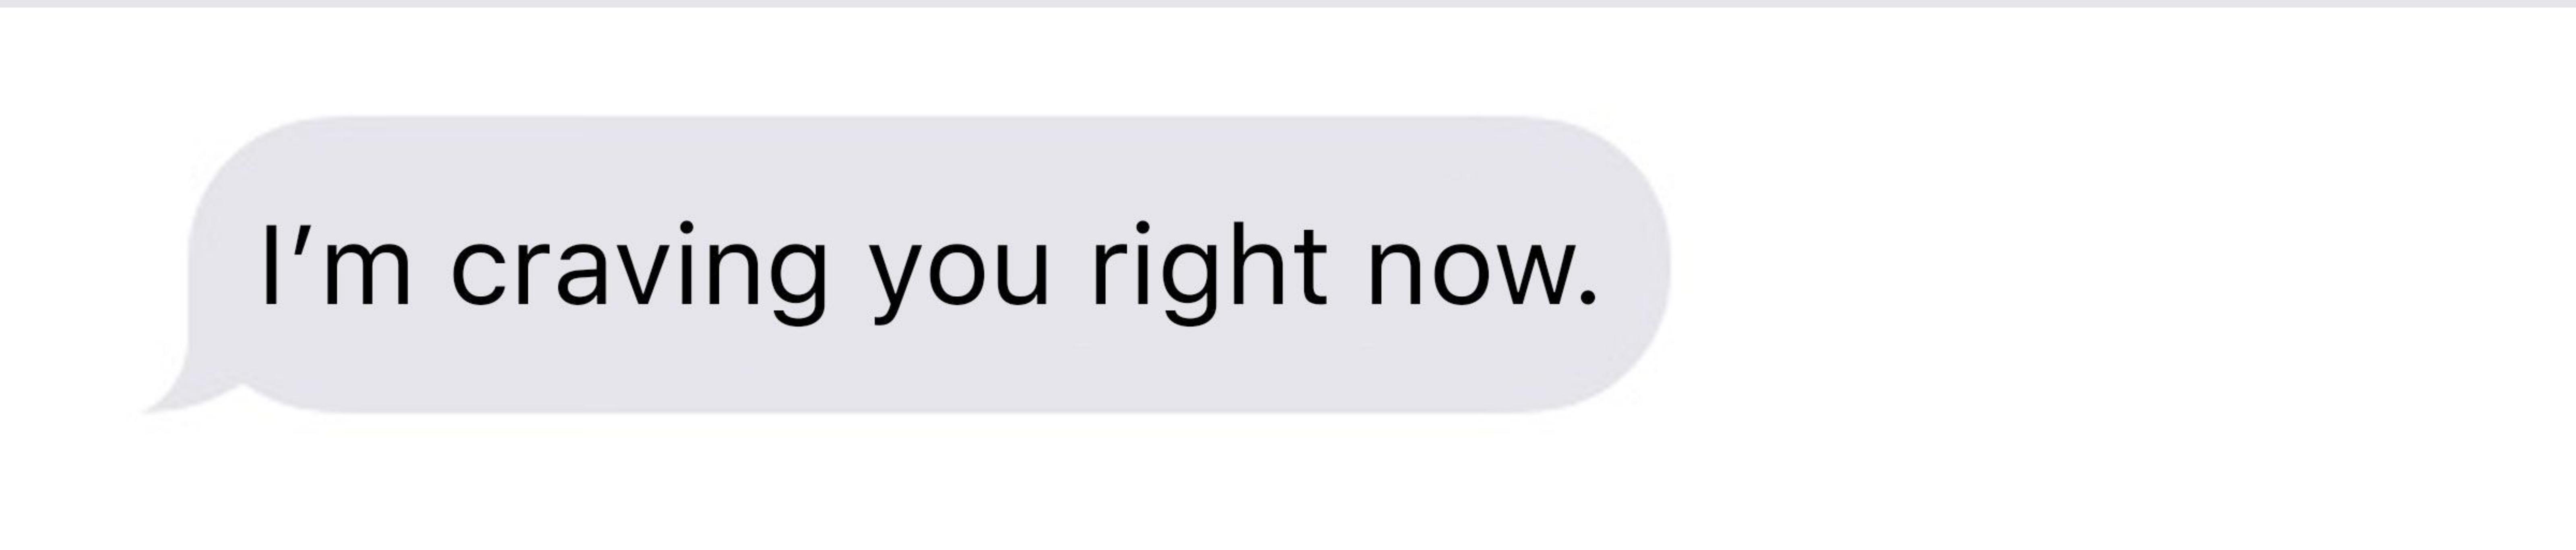

Wish I could kiss you before bed.

Wrist bond to the couch as I'm bent over the arm. Ass up for you.

Punk

God I want to fuck your mouth and pussy so badly

Sleep good

I'm craving you right now.

I was using my wand thinking about
you fingering me with my plug in
holding my wand to my Clit slowly
pressing and easing off massaging
me with the wand my hands tied
above me so I was helpless to you as
you made me squirt and cum and
splash till you were satisfied

trying to concentrate on my
work but all I've been doing is
daydreaming about having you
bent over my desk with your
jeans around your ankles

Could you please....

Thrust your cock deep inside my mouth. Stretching my throat and making me squirm while I'm all tied up.

you back on to me so I can finish the job

I can't wait to have you inside me while you play with my clit, ramming me so hard and making my legs shake. I want to be gasping for air while begging for more

I can't wait to pick you up from the couch and take you to the kitchen counter and pleasure you and then pick you back up and pin you up against the kitchen wall and continue

Fuck I want that so bad

I want to go all night

We can and we should

iMessage

Apple Pay

I want massage your shoulders

Is that weird?

No

Will you be naked?

Only if you want me to be.

Or I could just be wearing a pearl
thong and princess plug.

Yeah I have a very high sex drive lol

So come sit on my face

Make me cum?

I'd love to

Repeatedly

Over and over and over

Until I scream

Oh yes, I won't stop

I want to be shaking

I'll make you shake, that's such a turn on for me

can you come over & eat me
out
